IMPORTANT: PLEASE READ INSTRUCTIONS BEFORE COMPLETING APPLICATION

This application packet should be used by applicants/programs that are seeking licensure under COMAR Title 10, Subtitle 63 Community-Based Behavioral Health Programs and Services. Before applying for licensure under COMAR 10.63, a program shall enter into an agreement to cooperate with the core service agency (CSA), local addictions authority (LAA), or local behavioral health authority (LBHA) that operates in the relevant county or Baltimore City. A copy of the signed agreement must accompany this application. For a copy of the Agreement to Cooperate, please go to http://bha.dhmh.maryland.gov/Pages/Forms.aspx.

Please fill in the requested information completely. If this application is incomplete or missing any of the documentation required, the processing of the application will stop and the application will be returned to the applicant to provide the missing information (COMAR 10.63.06.02B). Please note that each program site requires a separate application (except for residential rehabilitation program sites with three or fewer beds).

All complete applications are reviewed in the order that they are received. This is the most equitable way to prioritize the application review process. Due to the number of applications received, there may be a wait period before your application can be reviewed. We do appreciate your understanding.
